I think we have all been affected in one way or another by cancer, and although I have already lost my mother and sister to cancer it was my close friend's cancer that prompted me to do this coffee morning.

It will be a lovely opportunity to catch up with friends, chat, eat cake, shop and celebrate life! Please pop along and support this worthwhile cause, with the chance to purchase some lovely summer additions!

'Book a holiday with Travel Designers in Balham, post my coffee morning, and 5% of the holiday's value will be donated to Cancer Research'
